

FireToken Weekly Voting System Tutorial

Welcome to FireToken community,

This tutorial will provide the necessary explanations of our voting function to all new and existing members.

After logging into our website, the default display on the LEFT NAVIGATION column is the DASHBOARD tab.

The screenshot displays the FireToken website interface. On the left is a blue navigation sidebar with a menu icon at the top and a list of tabs: Dashboard, Wallet, Security, Referral, ICO, Marketing, Feedback, and Voting. At the bottom of the sidebar are social media icons for Twitter, Telegram, Facebook, YouTube, and another Telegram icon. The main content area has a pink header bar. On the left of the header is a fire icon and a black profile picture placeholder. On the right is a fire icon, the text '296 FPOW', a user profile icon, and another black placeholder. A callout bubble points from the '296 FPOW' text to the text 'FirePower Points balance' in the main content area. The main content area displays a voting question: 'Q : Do You Know How To Set Up An Air-gapped Wallet?'. Below the question is a table with five rows, each containing a question and the word 'firepower' in a text input field. At the bottom of the main content area are three buttons: 'Previous', 'Vote', and 'Next'.

| Question | Answer |
|-------------|-----------|
| What'sThat? | firepower |
| ShowMe | firepower |
| DontNeedOne | firepower |
| Yes | firepower |
| No | firepower |

To vote on your choice, click your mouse on “firepower” and enter the amount you would like to use for that choice.

You can enter any available point amount you would like to use for each choices, and you can enter multiple choices just as you would diversify your investment choices. Please keep in mind of your balance and vote wisely.

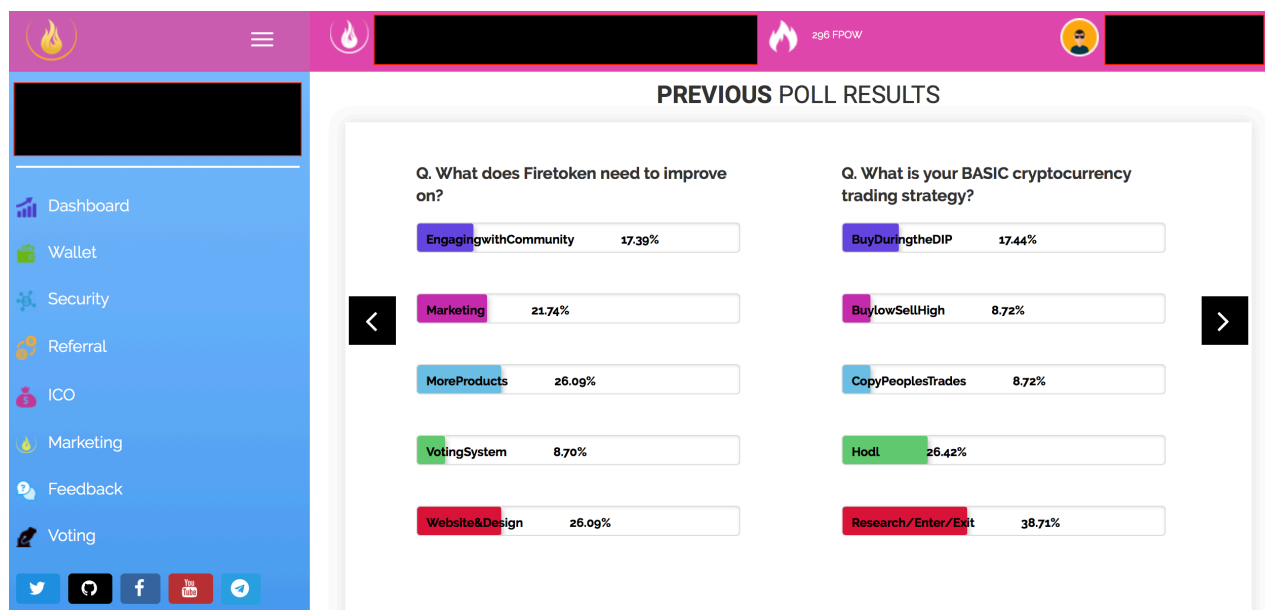

The screenshot shows a web application interface. On the left is a blue sidebar with a navigation menu containing icons and labels for: Dashboard, Wallet, Security, Referral, ICO, Marketing, Feedback, and Voting. Below the menu are social media icons for Twitter, GitHub, Facebook, YouTube, and Telegram. The top header is pink and contains a flame icon, a hamburger menu, a user profile icon, and a balance display showing '296 FPOW'. The main content area is white and displays a question: 'Q : Do You Know How To Set Up An Air-gapped Wallet?'. Below the question are five rows of input fields. The first two rows, 'What'sThat?' and 'ShowMe', have the number '50' entered. The last three rows, 'DontNeedOne', 'Yes', and 'No', have the word 'firepower' entered. An orange callout bubble points to the '50' in the 'ShowMe' field with the text 'Enter the point amount you would like to use for each vote'. At the bottom of the main area are three buttons: 'Previous' (black), 'Vote' (orange), and 'Next' (black).

| Choice | Amount |
|-------------|-----------|
| What'sThat? | 50 |
| ShowMe | 50 |
| DontNeedOne | firepower |
| Yes | firepower |
| No | firepower |

You can click NEXT to view more QUESTIONS and their choices. Multiple Questions are available weekly, If you would like to suggest a choice for that week please contact our team or use the FEEDBACK section on the LEFT NAVIGATION bar.

Previous RESULTS are displayed underneath the poll questions. Please keep in that mind that the most voted choices are the reflection of FireToken community views. Consider the top 3 choices instead of just one top chosen choice to diversify your investment and minimize losses.

Investment market is unpredictable, as it should be. The data you see is not a future prediction but rather a group consensus results to gauge the current market based on multiple independent research contributed by our members.

DO YOUR RESEARCH!!!

IF WE KNOW THE FUTURE, WE WOULD NOT BE HAVING POLLS.

Thank you for being part of our community, please do your part and help our your fellow community members to create a better investing environment for all.
